RTS Group is one of UAE's leading diversified business conglomerates with operations primarily focused in the Middle East and Africa, while their growth strategy is additionally propelled towards the emerging markets of Africa and South Asia. Reyami Rental is a subsidiary of RTS group - headquartered in Dubai, UAE and one among over 10 subsidiaries within the corporate portfolio.

"Customer excellence and customer-based solutions has always been the DNA of RTS Group"

One of the key subsidiaries of the RTS Group is Reyami Rental, which was established in 2004 to cater the niche segment of equipment rental business in the region. Reyami Rental has since emerged as an industry leader in the industrial scenario of the UAE and other GCC countries.

Our main rental products include generators, compressors, lighting towers, welding machines, forklifts, roller compactors, dewatering pumps, HVAC rental, small tools and machinery, portable facility cabins and containers and more. We serve the construction, oil & gas, mining, marine, EPC, offshore, petrochemical, defense, government, infrastructure, utilities and events industries.

CORPORATE PHILOSOPHY

- Commitment to excellence and international standards.
- Continued innovation and Quality Assurance.
- Ensuring Effective Time Management for all projects undertaken.
- CRM approach to ensure customer satisfaction at every step.
- CSR approach to ensure the environment-friendly course of operations

OUR VISION

To emerge as the regional market leader among turnkey industrial service providers, encompassing excellence in quality, technical knowledge, time management, safety standards, human resources and infrastructural facilities.

OUR VALUES

- Integrity
- Passion
- Respect
- Forward thinking
- Team work

OUR STRENGTHS

- A qualified team of dedicated professionals, experienced in satisfactorily meeting requirements of various projects and clients from nearly all industry sectors.
- Prompt and precise response to clients' requirements, 24x7 throughout the year.
- Top quality rental products, at competitive prices, readily available, and close to clients at all times
- Commitment to integrity, delivering top quality products & services, on time, every time
- ISO 9001: 2000 certified

Our diesel-driven air compressors are highly efficient, featuring heavy-duty enclosures for quieter operation. Centralized controls make operation easy in the most demanding industrial and construction conditions.

Compressor

Lighting Tower

Reyami Rental offers a range of industry-leading lighting towers to efficiently carry out operations for various applications, from construction sites to industrial work. They are low noise design, and feature different intensities, dimensions, and weights.

- Support Services

We rent high-quality and well-maintained welding machines, offering maximum productivity and weld quality. They conserve more energy than the traditional welding machines, and allow users to manually adjust weld parameters to the settings they need.

Welding Machine

ForkLifts

Our rental forklifts offer high efficiency, low emissions, and low noise levels. Designed with a host of ergonomic features, these forklifts deliver maximum comfort, control, and precision.
